To Whom It May Concern:

It gives me great pleasure to write this reference letter for Fantastic Gift Baskets, LLC and Meva Luen. We have had the lovely opportunity to do business with Meva for the past three years. The service and the products we have received have been spectacular. The products used in the baskets are always fresh and unique as well as tastefully presented. Meva strives for our satisfaction in the finished product. She chooses products for the baskets that reflect the customer's business and preferences. The finished products are always on time and complete. Meva gives a time schedule as to the receipt and we have not been disappointed with the service. I highly recommend Fantastic Gift Baskets to anyone!

Thank you,
